## **New Court Surfaces**

As many of you have seen if you have been down to the courts recently, we have 2 newly surfaced courts – courts 1 & 2. These courts will have to be worn in like all new courts. We rely on members to assist in maintaining these courts so they retain their top quality performance. Some grooming essentials are:

- Bag the courts **and surrounds** after each use
- Remove leaves etc from the courts as they damage the surface
- Ensure that you use appropriate tennis footwear – not runners

These 2 courts cost approximately \$57,200. This is a very expensive outlay, so please look after the courts. The committee is currently looking at ways to be able to fund at least another 2 courts - courts 5 & 6. If you are able to assist with any fundraising ideas the committee would love to hear from you. We have a couple of ideas and when they are organised we will be asking for help to carry out these activities.

## **MTC Committee vacancies**

*Your tennis club needs you:*

For members who are not familiar with how the committee is formed - all positions are spilled at the AGM held late each year and any member is entitled to nominate for a position that they would be interested in doing.

The committee would like to advise that the President and Vice President have given early advice that they will be not nominating for re-election. This early notice is provided so that members have time to consider whether they would be interested in nominating for these positions.

The committee would like to extend an invitation to any member who would like to attend a committee meeting as an observer to get a feel for the subject matter and how the meetings function.

The meetings are held on the 3rd Wednesday of each month at 7:30 pm in the club house. These meetings are relaxed and relatively informal, with discussion helped along with the odd glass of wine.

For the committee to function effectively, these positions will need to be filled. So please consider nominating for these positions when they become vacant at the AGM. If you would like any additional information – please call Wayne 6259 2001 or Narelle 6258 6263.

## Autumn Pennant 2011

Once again Melba tennis club has more teams than any other club in the ACT. We have 3 teams in the Monday night comp, 1 team in Tuesday night, 7 teams on Thursday night, 4 teams in Saturday comps and 2 junior boys' teams. That is a total of 17 teams. Most of the pennant competitions are 10 weeks plus finals and each team uses 2 balls each game. That is around 350 balls (approx 88 cans) used for just the autumn pennant for Melba alone.

Congratulations to the 4 Melba teams that are in the final series this week. We wish you all luck and hope that you have some good tennis.

Melba teams are very competitive and definitely enjoy the tennis and the social aspects. If you would like to be apart of

the MTC pennant teams, please see below, or call Barb on 6258 3964.
